

## PSAT Testing Information October 16, 2019

On October 16th, 2019, Neuqua Valley will offer the PSAT/NMSQT test to any junior interested in registering for the test. **This test is recommended for college-bound juniors who fall within the top tier of their class. The PSAT is the only qualifying test for the National Merit Scholarship Program.** The National Merit Scholarship Program awards several prestigious honors for students who score in the 98th or higher percentile of the standardized exam. The PSAT student guide can be found at <https://collegereadiness.collegeboard.org/pdf/psat-nmsqt-student-guide.pdf>.

The PSAT registration fee is \$23. Please follow the steps listed below to complete the registration process. Students registering for the test will receive testing room information prior to the test date. On October 16th, students report directly to their testing room at the start of the day. Testing will run through 5th period. If students' regularly scheduled lunch falls during the testing period, they will be given a pass to eat lunch following the test and then report to their next scheduled class. This is not an early dismissal day for any student, including the students testing. If you have any questions about the testing experience or you need additional information, contact your student's counselor:
